

Spring-Summer Newsletter

MARCH, 2024

THE NICE WEATHER IS JUST AROUND THE CORNER! Here Comes the Sun!

As winter gives way to spring in Southwest Middlesex, the landscape bursts with new life, a sensory delight symbolizing rejuvenation. The sun warms us, farmers cultivate fields, and nature joins the dance of renewal. Amid lush grass, vibrant blossoms, and leafy trees, the ample tree cover enchants all witnesses.

As spring transitions to warmer months, the anticipation of summer stirs. Days lengthen, inviting us to savor extended sunlight and balmy temperatures. This season promises outdoor adventures, family gatherings, and nature's melodies, making Southwest Middlesex a haven for those eager to immerse in the wonders of approaching summer.

While you are on your journey this spring and summer, remember to send us any local pictures that you would like to see shared in our newsletter or on social media. Also let us know if you have any topics that you would like to see covered in future editions by contacting us by email at info@southwestmiddlesex.ca or by phone at 519-287-2015.

Did You Know?

Animal Services

Humane Society London & Middlesex provides animal control services for the Municipality of Southwest Middlesex. These services include Animal Control By-law enforcement, maintenance of a pound facility, routine patrols, emergency services and statutory animal control officer duties.

If you have a complaint and/or believe someone has violated Southwest Middlesex's Animal Control By-law, please fill out the form at www.hslm.ca, click on the Services tab, then Municipal Animal Services, then Animal Care and Control Complaint Form.

For emergency after-hours services, call: 1-877-909-0519 and follow the prompts.

By-law Complaints

Southwest Middlesex's by-law enforcement is strictly complaint based, meaning if you believe one of Southwest Middlesex's by-laws are being violated, immediate action will not be taken unless a complaint is submitted.

To submit a complaint or to review our by-laws you can come into the Southwest Middlesex office at 153 McKellar Street, Glencoe or online at www.southwestmiddlesex.ca.

Lottery Licenses

The Alcohol and Gaming Commission (AGCO) is responsible for administering the lottery licensing program in the Province of Ontario. Municipalities are partners with AGCO in issuing lottery licenses to eligible organizations.

If your organization is running a lottery, you likely require a license. The Municipality of Southwest Middlesex is able to issue licenses under certain prize winning amounts for bingo events, media bingo events, raffle lotteries, bazaar lotteries and break open tickets.

To review if your organization is eligible for a Municipal lottery license or to inquire about applying, please visit www.southwestmiddlesex.ca.

Marriage Licenses

Are you tying the knot in 2024? Every marriage in Ontario requires a Marriage License before the ceremony takes place. So make sure you have a plan to get your license ahead of time to check one thing off your list. The Municipality of Southwest Middlesex can issue Marriage Licenses and is readily available to assist with your application. To get the process started or to book an application appointment, please call 519-287-2015 or email info@southwestmiddlesex.ca.

Did You Know?

Trillium Transfer Station

With the arrival of the spring season, it's the perfect time to embark on a rejuvenating cleanup journey. The Trillium Transfer Station stands ready to be your partner in this endeavor. The station offers a streamlined and eco-conscious solution for your cleaning disposal needs. From yard debris to household items, our dedicated team and user-friendly setup make disposal a breeze. Choose the Trillium Transfer Station for a seamless and sustainable spring cleanup experience.

Address: 3945 Trillium Drive, Glencoe.

Hours of Operation: Saturdays from 9:00 a.m. to 4:00 p.m.

Payment Methods: Cash ONLY.

To review what materials are accepted and rates at the Trillium Transfer Station, please visit www.southwestmiddlesex.ca or call 518-287-2015.

Building Permits

Are you looking to make some improvements or alterations to your dwelling or surrounding property this year? Certain projects require building permits to allow our Building Officials and Inspectors to make sure your potential construction complies with the Ontario Building Code, the Southwest Middlesex zoning By-law and other applicable laws and regulations.

Some projects that require a Building Permit are:

- Swimming pools with a depth greater than 6 meters
- New Buildings greater than 15 sq. m. (160 sq. ft.)
- Porches
- Demolitions

To review what projects require a permit and those that do not, please visit our Building Services page on our website or email dmajewski@southwestmiddlesex.ca.

Planning Services

Land-use planning affects almost every aspect of life in Ontario. It helps decide where our community's homes and factories should be built, where parks and schools should be located and where roads, sewers and other essential services should be provided. It balances the interests of individual property owners with the wider interests and objectives of the whole community.

Southwest Middlesex, our Planner and the County of Middlesex work together to process planning applications and manage new developments within the Municipality. If you require assistance starting a minor variance, zoning by-law amendment or consent application please visit our Planning Services page on our website or email akerteszmiddlesex.ca.

Fire Safety - Lithium-ion Battery

Fire Safety Hazards of Lithium-ion Battery Powered Products and E-Mobility Devices in Homes:

There has been an alarming increase in the number of fatal fires in North America that have been caused by Lithium-ion batteries. Fire Departments worldwide have identified the need to increase public awareness in order to save lives and property. Most people are unaware that Lithium-ion batteries are found in equipment and devices that we use daily such as personal electronics, cell phones, tablets, laptops, E-Bikes, electric toothbrushes, tools, hoverboards, vaping devices, scooters, and for solar power backup storage.

Fire Safety Hazard:

Lithium-ion batteries can fail and go into what is known as 'thermal runaway,' and shortly thereafter ignite, resulting in an intense and aggressive fire. The majority of these fires involve micro-mobility devices such as scooters and e-bikes. Typically, Lithium-ion fires can break out from one or more factors, including but not limited to, tampering or modifying the battery or its charger, operating the device in an unsafe manner, or using an unapproved or uncertified battery not designed for its specific application.

Key Fire Safety Tips related to Lithium-ion Battery-powered Devices:

- **Choose certified products.** When purchasing Lithium-ion battery-powered devices, look for products that are listed or safety certified by a nationally recognized testing laboratory to ensure they meet important safety requirements.
- **Handle with care.** Follow the manufacturer's instructions. Only use the charging equipment that comes with the product. Store batteries away from extreme temperatures, direct sunlight, emergency exits, and anything flammable. Charge larger devices (such as e-Bikes) away from your exit path and outside your home if possible. Do not charge larger devices overnight.
- **Always stay alert for warning signs.** Check battery-powered devices often for damage or abuse such as swelling or punctures. Listen for unusual hissing or popping sounds. Watch for excessive heat or a strange odor. If you notice any of these warning signs, stop using the Lithium-ion battery-powered device immediately. White or gray wispy smoke indicates there is immediate danger of fire.
- **Recycle devices and batteries properly.** When disposing of batteries, chargers or battery-powered devices DO NOT put them in the trash! The Household Special Waste Depot at 3502 Manning Drive, London, will accept those materials.
- **Get out if there's a fire.** Get out if you see – or hear – warning signs. Follow your home fire escape plan, leave immediately and call 9-1-1.
- **Educate others about Lithium-ion battery safety.**

For more information on Lithium-ion battery safety visit: www.canada.ca/en/health-canada/services/household-products/battery-safety/lithium-ion.html.

Additional Fire Safety Tips:

- Prevent fires from happening; Unattended cooking and careless smoking are the leading causes of home fires in Ontario. Visit www.ontario.ca/page/fire-safety-home#section-4.
- Have smoke and CO alarms properly installed in your home and test them regularly. Smoke and CO alarms expire. Replace all types of alarms every 10 years.
- Plan and practice your fire escape plan and keep all exits clear of obstructions.

Fire Safety - Open Air Burning

If you are planning an open burn, please be aware that you **must** be in compliance with the Southwest Middlesex Open Burn By-Law (No.2012/081, Open Air Burning Regulation). You **must** obtain authorization by submitting a Controlled Burn Permit application online through the Municipal website, or by contacting the Fire Chief or his designate and Fire Dispatch **BEFORE** you light.

We ask that you please submit your Controlled Burn Permit Application or provide notification at least 24 hours in advance of your anticipated burn. The Southwest Middlesex Fire Department will make every effort to reply within 24 hours of your application or call.

Contact information and By-Law 2012/081 are available on the SWM website.

Your compliance with the Open Air Burning Regulation helps ensure that our Fire and Rescue resources remain available for true emergencies. Do not burn the following items:

Glencoe Business & Industrial Park

Industrial Road - Glencoe Business and Industrial Park, Southwest Middlesex, Ontario, Canada

The Municipality of Southwest Middlesex currently has a 44.80-acre serviced industrial property for sale in the Glencoe Business and Industrial Park. The property is strategically located within a 25 min drive to provincial Highways 401 and 402, and is in close proximity to a local railway station, allowing for fast access to nearby urban areas such as London, Chatham, and Sarnia. Southwest Middlesex has a diverse economy including a strong foundation in agriculture, agri-food and manufacturing and growing retail, logistics, construction and service sectors.

All of our swimming lessons run in two week blocks. The following are the dates of our swimming lesson sessions in 2024:

- Session 1: July 1st-12th
- Session 2: July 15th-26th
- Session 3: July 29th-August 9th
- Session 4: August 12th-23th

Advertising Opportunities With Southwest Middlesex

We are excited to extend our heartfelt gratitude to all potential sponsors and advertisers for considering partnering with the Municipality of Southwest Middlesex. As a local government entity committed to fostering community growth and prosperity, we firmly believe in the immense benefits that arise from collaborations with businesses and organizations. By sponsoring programs and advertising with us, you not only contribute to the enhancement of our community's well-being but also gain invaluable opportunities to promote your brand, reach a diverse and engaged audience, and create lasting positive impacts. Your support enables us to continue offering vital services and events that enrich the lives of our residents, making Southwest Middlesex an even more vibrant and thriving place to live, work, and visit.

Sponsorship Opportunities

Public Swimming Sponsorship: This sponsorship will allow our community to swim without any financial burden. In return for your support, you will receive a donation receipt, and your logo/name will be featured in our recreation guide and social media posts for the swim.

Cost: \$170.00 per swim, including HST.

Glencoe Gators Swim Team: The Gators are a passionate group of kids who swim all summer long and compete in competitions around Southern Ontario. This sponsorship will help cover competition entry fees, team shirts and swimming caps. In return for your sponsorship, your logo/name will be featured in our recreation guide, social media posts for the swim team and on the back of our 2024 team shirts.

Cost: \$300.00, including HST.

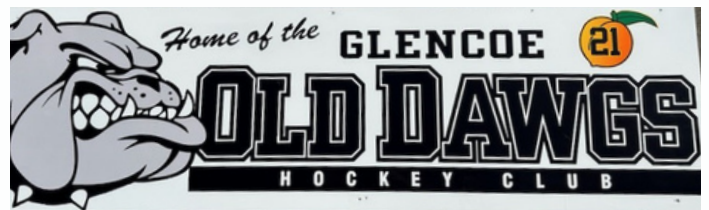

Advertising Opportunities

Advertising spaces are now available at Southwest Middlesex Recreation Centre (formally the Glencoe Memorial Arena) for the 2024/2025 season. All advertisements are custom made to your liking and will be displayed for an entire year starting in October 2024. This opportunity leads to high volumes of exposure to the thousands of people who visit each year. With different advertising options, you can suit which advertising method works best for you.

Arena In-Ice Advertisement: \$500.00, including HST. As of March 1, 2024 there are 6 spaces available.

Arena Board Advertisement: \$400.00, including HST. As of March 1, 2024 there are 3 spaces available.

Arena Wall Advertisement: \$250.00, including HST. As of March 1, 2024 there are 10 spaces available.

Anyone interested in these sponsorship or advertising opportunities, please call the Southwest Middlesex office at 519-287-2015 or email scormier@southwestmiddlesex.
