

## POLICY

### PRIVATE TILE DRAIN INSTALLATIONS

---

As adopted on October 16, 2002:

- i) It is mandatory for all landowners and/or drainage contractors to notify the Drainage Superintendent before installing private tile outlets into any municipal drain.
- ii) Private tile may not outlet into an open municipal drain without using header tile.
- iii) Private tile may not outlet into any roadside ditch except by Agreement Drain under *The Ontario Drainage Act*.
