

Glencoe District Lions Club

The Glencoe District Lions Club
was started in 1974

As a local Lions Club, we are part of something much greater - Lions Clubs International (LCI), the largest community service organization in the world with 1.42-million members serving in over 200 countries and geographic areas around the globe.

We are dedicated to helping others, both at home and elsewhere in the world, wherever there is a need.

Lions are respected world-wide and are the only community service organization that is accorded the honour of an annual day of recognition at the United Nations.

We invite you to join us, the Glencoe District Lions Club, and make a positive difference.

COMMUNITY INVOLVEMENT

Wherever the community gathers, the Lions are there. The Glencoe Lions are committed to community betterment. We undertake major tasks, such as Bob Martin playground, Millstone Manor, Project 2000 sports complex, benches, the Splash Pad, in addition to smaller projects to make this community proud. We often work together with community-minded people and invite you to join us.

We Serve

Visit: glencoedistrictlions.org

On October 19, 1974, 36 area men were inducted as members of the Glencoe District Lions Club. During the past four decades, we have grown from a group of like-minded men to a diverse group of men, women, and couples, Faces have changed with time, but nothing has altered the commitment to our motto "We Serve."

Since our inception, we have supported many local projects in addition to minor sports, school awards, eye equipment for area hospitals and also assisted those with special needs.
