The Municipality of Southwest Middlesex

Tender Description: Supply and Placement of Road Granular Materials

Closing Date: Wednesday, March 1, 2023

B. SCOPE:

The scope of the proposed works is to supply granular materials for road re-gravelling within the Municipality of Southwest Middlesex. All granular materials shall conform to the applicable Ontario Provincial Standard Specifications. The material will be deposited in the locations as specified by a municipal representative. Grading, compaction, and dust control will be the Municipality's responsibility.

C. TENDER DEPOSIT:

All tender proposals shall be accompanied by a **certified cheque** for \$5,000 (Five Thousand) made payable to the Owner, as a guarantee for the execution of the contract.

All tender deposits will be returned to the respective bidders within 10 days after the tenders have been opened except those of the low two bidders, which shall be retained by the Owner until the successful bidder has executed the contract documents.

The tender deposit of the successful bidder will be returned when they have fully complied with the conditions outlined in the tender documents, and the work has commenced within the specified time frame.

D. RIGHT TO ACCEPT OR REJECT TENDERS:

Tenders may be invalid if the forms are not properly and fully completed. Tenders must be on the form provided. No substitutions will be considered. Acceptance or rejection will be at the sole discretion of the Owner.

E. UNACCEPTABLE TENDERS:

Each item in the Tender Form shall be a reasonable price for such item. Under no circumstances will an unbalanced tender be considered. The Owner will be sole judge of such matters, and should any tender be considered to be unbalanced, then it will be rejected by the Owner.

F. ABILITY AND EXPERIENCE OF BIDDER:

The Owner reserves the right to reject the tender of any bidder who does not furnish satisfactory evidence of sufficient capital, and experience to successfully execute and complete the work in the specified time.

The Municipality of Southwest Middlesex

Tender Description: Supply and Placement of Road Granular Materials

Closing Date: Wednesday, March 1, 2023

As part of this Tender Package, Standard Forms for listing experience at performing similar work have been included. The Contractor's tender document shall include the completed form with their submission of tender.

G. PAYMENTS:

Payments will be made subject to the provision of monthly invoices submitted to the Municipality accompanied by appropriate product digital receipt tickets approved by Municipal personnel. Payments will be made within 30 days of receipt of said invoices and material testing results. Requests for payment shall be accompanied by a current Workplace Safety Insurance Board Clearance Certificate. The Municipality can be invoiced at:

The Municipality of Southwest Middlesex
153 McKellar Street
Glencoe, Ontario N0L 1M0

H. INQUIRIES DURING TENDERING:

The Bidder is advised that inquiries regarding the interpretation of this Tender or specifications shall be directed to Greg Storms - Director of Operations for the Municipality of Southwest Middlesex at (519) 287-2015 extension 8119.

I. THE OCCUPATIONAL HEALTH AND SAFETY ACT:

The Contractor must ensure compliance with the Occupational Health and Safety Act and indemnify the Municipality of Southwest Middlesex for any failure to do so.

J. LIABILITY INSURANCE, INDEMNIFICATION AND HOLD HARMLESS:

The Contractor shall indemnify and save harmless the Municipality of Southwest Middlesex from and against all claims, demands, loss, damages, etc. The limit of liability insurance shall be a minimum of \$5,000,000.00 (Five Million) in respect of any one accident. The Contractor shall provide to the Municipality proof of said insurance, naming the Municipality of Southwest Middlesex as "additional insured and hold harmless", prior to the commencement of work.

The Municipality of Southwest Middlesex

Tender Description: Supply and Placement of Road Granular Materials

Closing Date: Wednesday, March 1, 2023

K. SCHEDULE OF WORK:

The granular material is to be supplied to the specified jobsite within 5 (five) working days after notification from the Public Works Supervisor or designate.

L. LIST OF SUB-CONTRACTORS:

The Contractor agrees to submit a list of any Sub-Contractors who will be carrying out any part of this contract. This list shall show the names of the proposed Sub-Contractors and for what work each Sub-Contractor will be responsible. The Owner has the right to reject any of the contractors so named. In this event, the Contractor shall arrange to have the work done by such other Sub-Contractor as may be approved by the Owner.

Should the Contractor cease operations, under no circumstances shall Sub-Contractors be allowed to continue the work on the site unless an authorized representative of the Contractor is always present on the site. The Contractor shall notify the Owner in writing of the names and positions of the person or persons so representing the Contractor.

As part of this Tender Package, Standard Forms for listing any Sub-Contractors have been included. Tenderers shall include the completed form with their submission of Tender.

M. SUPPLY OF MATERIALS:

All material must conform to the Ontario Provincial Standards and Specifications (OPSS), 1001, 1004, 1010.

The successful bidder will be responsible for the supply of granular material to the jobsite. Unit Prices quoted on the Form of Tender will include all associated costs including material, trucking, applicable taxes, etc. All delivered materials shall include a weight ticket measured in metric tonnes and signed by the municipal representative at the end of each day.

Municipal works crew will grade and compact the supplied granular material. The Contractor shall supply at least **three hundred tonnes (300 tonnes)** of granular material per hour unless specified otherwise by the Public Works Manager or Roads Foreman. The tonnes to be delivered daily shall be confirmed with the Contractor once notification of delivery is made.

The Municipality of Southwest Middlesex

Tender Description: Supply and Placement of Road Granular Materials

Closing Date: Wednesday, March 1, 2023

The Contractor shall supply a list of suppliers of the Granular material related to the tendered works.

All materials must be from sources that are either on the Designated Sources List, the Aggregate Sources List or Approved by the Ministry of Transportation.

All material applied to Municipal roads shall be supplied with bottom dump hopper trucks with cab control in working order for spreading.

Digital Weigh slips must be provided to the Public Works Supervisor for approval.

N. ONTARIO PROVINCIAL STANDARDS GENERAL CONDITIONS OF CONTRACT:

Unless otherwise noted, the general terms and conditions of the Ontario Provincial Standards General Conditions of Contract (OPS-GC) shall prevail.

O. EXECUTE CONTRACT:

Tenders shall be open for acceptance for a period of 30 days after the closing date. After this time, the tender may only be accepted with the consent of the successful bidder.

The successful bidder shall execute the contract documents within 10 calendar days of receipt of notification of acceptance of tender.

Failure by the successful bidder to meet the above requirements will entitle the Owner to cancel the award of the contract and to retain the bid deposit as compensation for damages sustained due to the bidders' default. The Owner may award the contract to one of the other bidders or take such action as he/she chooses.

P. LOCATION OF WORK

The work will be located at the following locations within the Municipality of Southwest Middlesex:

- All local roads South of Concession Drive and Glendon Drive
- Some changes may occur depending on local requirements.
